Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Happy Hollow Road Project – All documents have been turned in to INDOT for a July letting. Documents are being reviewed by INDOT and a RFC (ready for contract) determination is expected on April 30, 2013. The scoring of construction inspection proposals is also being reviewed by INDOT.
- Cumberland Avenue Ph. III Project – Plans are wrapping up with utility relocation coordination and land acquisition nearing completion. A June 3, 2014 bid opening is anticipated and a contract will be brought before the Commission at the June 18, 2014 meeting.
- Salisbury Street Ph. III Project – Project includes ATMS work on Salisbury Street intersections and reconstruction of the Navajo/Salisbury intersection. ADA ramps and signal equipment are getting updated at the Kalberer intersection and contractors will begin moving south. Waterline work will begin mid-May. Plans for traffic control during construction were discussed. Notifications to businesses, signage, and a press release to inform the general public about the lane restrictions. Construction is scheduled for March to August 2014.

- Navajo St., Ph. I Project – Bids for the project have been received by the Board of Works and a contract with Fairfield Contractors is on today's agenda for approval. The project includes the replacement of bad sections of curb, missing and non-compliant pieces of sidewalk and the installation of ADA ramps on Navajo Street from Salisbury Street to Indian Trail.

- Mid-Block Crossings Project – Project was bid through INDOT in March. A pre-construction meeting has been scheduled for April 29, 2014 at which the construction schedule for the two locations will be discussed.

Parks Superintendent Joe Payne updated the Commission on the following project:

- Cattail Trail Extension Project – Issues have been resolved and an INDOT letting date of July 7, 2014 is anticipated with construction to begin 30 days after. Most of the work will be done this year with final completion in spring of 2015.

Parks and Recreation Stewardship Director Dan Dunten updated the Commission on the following project:

- Median Maintenance Project – Maintenance of medians has begun as scheduled. Completed work has been monitored and both companies are providing excellent service.

Development Director Chandler Poole updated the Commission on the following projects:

- State Street Master Plan – Creative ideas are being implemented and some design issues are being addressed. An updated plan will be presented to the Commission at the May meeting.

Other

Dave Buck stated he is hopeful that INDOT will give the go-ahead to begin contract negotiations for construction inspection on Happy Hollow Road. A contract must be approved and in place before INDOT will open bids in July. If possible, a contract will be presented at the May meeting of the Redevelopment Commission. In the event this isn't possible, Dave Buck requested authorization be granted to the Board of Works to enter into a contract on behalf of the Commission. The contract for inspection services is funded with 80% INDOT and 20% local share. Commissioner Gray moved the West Lafayette Redevelopment Commission give the Board of Works authorization in the event that delay of approval of the construction inspection contract would cause a delay in the Happy Hollow Road Project to negotiate and approve a contract in an amount not to exceed

\$140,000.00 for the local share. Commissioner Curtis seconded. Commission President Oates stated the contract should be presented to the Redevelopment Commission if it doesn't delay the project.

The roll call vote:

Aye: Gray, Miller-Wilson, Schauer, Oates, Curtis

Nay:

The motion passed 5-0.

Joe Payne distributed a new Trails Guide to the Commissioners. There was no further new business.
